**Tour of Britain**

To note that the Borough Council has advised that the **Tour of Britain will be passing through Berkhamsted on Friday 12 September 2014**; to agree the **Events Committee takes responsibility for the town's contribution** to promoting cycling and well being at the event; and that **Councillors Laws and Bonnett, be members of the wider DBC steering group for the event.** (See TE 30/14) (Paper attached)

## **TOUR OF BRITAIN**

DBC has advised that the Tour of Britain will be passing through Berkhamsted on Friday 12 September 2014, with the last stage coming from Ashley Green, down Kingshill Way, Kings Road, Lower Kings Road, past the Railway Station, along Brownlow Road, up New Road to Potten End and along the Leighton Buzzard Road, finishing in Gadebridge Park.

The Tour provides Berkhamsted with the opportunity to promote cycling groups, cycling business and general wellbeing.

I am proposing that

- the Town Council Events Committee facilitates the bringing together of the groups and cycling businesses in the town, in partnership with DBC, to determine how best to use the event to promote cycling and well being, and reporting to T&E.
- that two Town Councillors be members of the wider DBC steering group for the event. The proposal is that those members be Councillor Laws, Chair of the Events Committee and Councillor Bonnett, a member of T&E.

The arrangements for this stage of the Tour of Britain will not place any funding requirements on the Town Council.
