

CALL FOR EVIDENCE – FOOTPATH CHESHAM ROAD CRICKET GROUND
CLOSING DATE FOR EVIDENCE **FRIDAY 7 DECEMBER 2018**

Herts County Council's Rights of Way Service has received an application from local residents to amend the record of public rights of way to **add a footpath from Upper Ashlyns Road to Chesham Road on the northern edge of the playing fields.** The Definitive Map Officer at the County Council is now investigating whether a public right of way exists or not, and if so, whether it is publicly maintainable. You can access the officer's investigation report by clicking on the link below to her document on HCC's website.

At the Town Council's Planning Committee on 19 November 2018 a number of residents came along to speak in favour of the application. It was agreed that we would put this notice on our website to encourage others to send any evidence they may have to HCC by the closing date. The Definitive Mapp Officer has advised that this should be done via a witness evidence form and that there should be one form per person per route. Here is the link to the user evidence form:
