3. ANNUAL ESTIMATES (BUDGET) AND FORWARD PLANNING

3.1. Each Committee shall review its three-year forecast of revenue and capital receipts and payments. Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year not later than the end of November each year including any proposals for revising the forecast.

3.2. Each year the Clerk shall, by no later than early January, have prepared estimates of receipts and payments, reserves and sources of funding for the coming financial year in the form of a budget. BUDGETARY CONTROL AND AUTHORITY TO SPEND

- 3.6. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:
- i. the Council for all items over £25,000;
 - ii. the Finance and Policy Committee for items over £10,000;
 - iii. the Town Clerk, in conjunction with the Town Mayor or Chairman of the Finance and Policy Committee for any items below £10,000 but over £5,000;
 - iv. the Town Clerk or Deputy Town Clerk, for any items up to £5,000 that reasonably fall within the Town Council's planned budget and for other urgent items such as repairs, maintenance, health and safety.

Regarding items i and ii above the authorisation of such expenditure will be discussed at the appropriate Council or F & P Committee and resolutions minuted. For expenditure under item iii such authority is to be evidenced by an authorisation slip duly signed by the Clerk and either the Town Mayor or Chairman of the Finance and Policy Committee. The expenditure will then be an agenda item at the next available Council or F & P Committee and formally recorded in the minutes. Expenditure up to £5,000 will similarly be reported at the next available F & P Committee.

The above hierarchy of authorisation, particularly items iii and iv, are to ensure that projects can be actioned in a timely manner. It does not however prohibit items under £10,000 being discussed and approved at meetings prior to the expenditure taking place. Where time permits, this is encouraged.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

- 3.7. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the Council, or duly delegated committee. During the budget year and with the approval of Council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').
- 3.8. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year without prior approval from the F & P Committee or Full Council.
- 3.9. The salary budgets are to be reviewed as required and at least annually, in December, for the following financial year as part of the budgetary process to be approved by Full Council. The Clerk will inform committees of any changes impacting on their budget requirement for the coming year in good time.

- 3.10. In cases of extreme risk to the delivery of council services, the Clerk may authorise revenue expenditure on behalf of the Council which in the Clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £10,000. The Clerk shall report such action to the Chairman of the Finance and Policy Committee as soon as possible and to the Council or F & P Committee as soon as practicable thereafter.
- 3.11. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the Council is satisfied that the necessary funds are available and any requisite borrowing approval has been obtained.
- 3.12. All capital works shall be administered in accordance with the Council's standing orders and financial regulations relating to contracts. Reference should also be made to "A Guide to Understanding Procurement" published by NALC in April 2015.
- 3.13. The Clerk and Finance Officer shall regularly provide the Council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and explanations of material variances shall be made by the Clerk at each F & P Committee. For this purpose, "material" shall be in excess of £500 or 20% of the budget.
