

Bench Replacement Project

Project Description:

To replace four benches which are currently unusable and beyond repair in the following locations: Gossoms End, Chesham Road, Swing Gate Lane and Cross Oak Road for the benefit of both local residents and visitors to the town.

Hertfordshire County Council have given consent and there are no utility searches to be undertaken or permits required for the replacements.

The contractor used for installing benches is used by Dacorum Borough Council and is permitted to work on the Highways. A quote has been obtained from them.

The benches to be installed are the same as those used by Dacorum Borough Council. They have a metal bracket frame for longevity, picture below:

Cost

Each bench is £425

The cost for removal and replacement for all four benches is £1,230

Total cost - £2,930

Cost is to be taken from fixed asset reserves.
