Dear Joanna

Re: **Road Safety Fund 'Request for two SIDs' bid**

After careful consideration and research by both the Hertfordshire Road Safety Partnership and my office, I am pleased to confirm that I have approved the use of Road Safety Funds (RSF) towards your application subject to Hertfordshire County Council (HCC) carrying out Speed Indicator Device suitability checks (including speed check and potential project clash check).

Provided the requested locations pass the suitability check, funding will then be allocated to HCC (as the Highway Authority for Hertfordshire) on your behalf to commission the work. My Grant & Funds Team will keep you updated at each stage of the process.

If you agree with the enclosed grant agreement, please sign and return a copy to my Grants & Funds team, who will be your main point of contact regarding this grant.

Yours sincerely

pp **David Lloyd**
Police and Crime Commissioner
