8<sup>th</sup> December 2021

Dear Mr Lewis,

I write on behalf of Berkhamsted Town Council (BTC) regarding St Mary's Church of England Primary School Proposed Admission Arrangements for the academic year 2023-24.

BTC wishes to thank the school for consulting the Council on this matter.

BTC recognizes that the proposed changes are to reflect the importance of the school's status as a C of E School, to simplify and bring up to date their admission arrangements, as well as to mirror the wording of Hertfordshire County Council's admission policy for community and voluntary controlled schools. BTC therefore has no objections to the proposed changes.

Yours sincerely,

Tony Noakes, Town Clerk  
on behalf of Berkhamsted Town Council
